## **Weston V. Hammons**

### **UNITED STATES SUPREME COURT DENIES ADAMS COUNTY'S PETITION FOR CERTIORARI IN THE WESTON CASE**

**June 2002**

On July 5, 2001, the Colorado Court of Appeals affirmed the judgment of the trial court arguing that the inadequate sanction notices deprived the plaintiffs of due process of law.

Adams County appealed to the Colorado Supreme Court who denied cert in the case. In response, Adams County petitioned for cert with the United States Supreme Court.

In June 2002, the U.S. Supreme Court denied the petition. The case is final and the decision of the lower court good. This is an important victory for welfare participants.

Our thanks to the terrific litigation team.
